

Display Website Agreement Instructions

Wasatch Front Regional Multiple Listing Service, Inc. (“WFR”)

Print the Display Website Agreement, and complete the following sections:

First Paragraph. In the first paragraph of the Display Website Agreement on the first line provided, write your full name.

Effective Date and Signature. Following the last paragraph of the Display Website Agreement, on the line provided for the effective date, write the day, month, and year that you sign the Display Website Agreement. For the signature block, sign your name on the first line provided, and then print or type your name on the second line provided.

Schedule A. On Schedule A attached to the Display Website Agreement, under the Name of Vendor section, write the full legal name of the third party vendor whom you are engaging to develop and operate your website listed under the Identified Display Website section of the same Schedule A. If the vendor is operating under an entity name, you should provide the full legal name of the entity (for example, Vendor Services, LLC), not the name of an individual. Under the Broker Name section of Schedule A, if you are an agent, write the full name of your principal real estate broker. Under the Identified Display Website section of Schedule A, write the domain of the website on which you would like to display listing from WFR’s Internet Data Exchange (IDX) database.
